Customer acknowledges that the Security Measures are subject to technical progress and development and that OptinMonster may update or modify the Security Measures from time to time provided that such updates and modifications do not result in the degradation of the overall security of the Services purchased by the Customer.

6.3 Customer Responsibilities. 12.1 The Services provide Customer with a number of controls that Customer may use to retrieve, correct, delete or restrict Customer Data, which Customer may use to assist it in connection with its obligations under the GDPR, including its obligations relating to responding to requests from data subjects or applicable data protection authorities. To the extent that Customer is unable to independently access the relevant Customer Data within the Services, OptinMonster shall (at Customer's expense) provide reasonable cooperation to assist Customer to respond to any requests from individuals or applicable data protection authorities relating to the processing of Personal Data under the Agreement. In the event that any such request is made directly to OptinMonster, OptinMonster shall not respond to such communication directly without Customer's prior authorization, unless legally compelled to do so. If OptinMonster is required to respond to such a request, OptinMonster shall promptly notify Customer and provide it with a copy of the request unless legally prohibited from doing so.

12.2 If a law enforcement agency sends OptinMonster a demand for Customer Data (for example, through a subpoena or court order), OptinMonster shall attempt to redirect the law enforcement agency to request that data directly from Customer. As part of this effort, OptinMonster may provide Customer's basic contact information to the law enforcement agency. If compelled to disclose Customer Data to a law enforcement agency, then OptinMonster shall give Customer reasonable notice of the demand to allow Customer to seek a protective order or other appropriate remedy unless OptinMonster is legally prohibited from doing so.

12.3 To the extent OptinMonster is required under EU Data Protection Law, OptinMonster shall (at Customer's expense) provide reasonably requested information regarding the Services to enable the Customer to carry out data protection impact assessments or prior consultations with data protection authorities as required by law.
